DANUBE BEND TOUR

and
July 16, 2016

Visit Esztergom, Visegrád and Szentendre, the 3 most beautiful cities in the Danube Bend. Enjoy the picturesque viewpoints in all settlements and get acquainted with the Hungarian history along the “Blue Danube”. Have an unforgettable boat tour back to Budapest.

Departure from Sofitel Hotel at 9:00 am.

Visegrád: we walk close the 750 year-old stones of the formal Royal Residence, learn about life in the middle ages and enjoy the fascinating panorama on the Danube valley.

Esztergom: the Northern gate of Budapest – the centre of the Catholic Church. We visit the largest cathedral of Hungary (also burial place of famous cardinals of Hungary, like Primate József Mindszenty). Afterwards, we glance across the river and enjoy the view over to Slovakia.

Szentendre: On the way back we stop in the artist's village of Szentendre. It is a small baroque city at the gate of the Danube Bend, at the meeting place of the river Danube and the Pilis mountains, in a beautiful natural environment. We walk around the baroque settlement, built on medieval ruins and go up the narrow streets to the panorama point to see the Danube. We then simply enjoy the special atmosphere of this village. You can also take the
opportunity to visit the museums (for example the world-famous Margit Kovács Ceramic Museum, the Confectionery Museum-with buildings and people made of marzipan), or you can choose to visit the shops of the village.

We return to Budapest on the Danube by boat.
The tour ends at the pier / city centre.
